

Fair Price Report
real repair records, not a labor guide

Report FPR-831bae93ac41

Issued October 2, 2026

Data as of July 2026

fixdozer.com/repair-cost/jeep/grand-cherokee/cv-axle-replacement/

Jeep Grand Cherokee — CV Axle Replacement

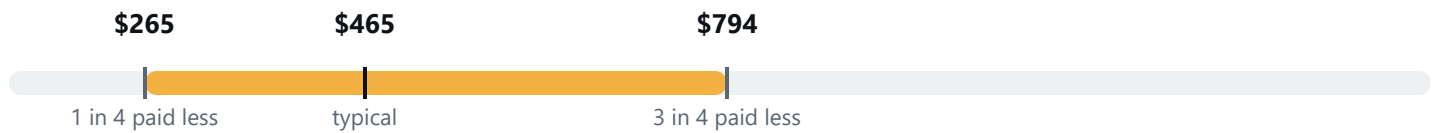

What owners actually paid for this repair, computed from **real, paid Jeep Grand Cherokee CV axle replacements** at independent shops across the US.

\$465

typical total — half of all Jeep Grand Cherokee CV axle replacement jobs cost less, half cost more

Fair range **\$265 – \$794**

the middle half of all invoices
(parts + labor + fees)

LINE ITEM	LOW (1 IN 4 PAID LESS)	TYPICAL	HIGH (3 IN 4 PAID LESS)
Parts — CV axle Complete new or remanufactured axle shaft; axle seal and gear oil where applicable	\$61	\$160	\$383
Labor — 2.2 hrs typical Range 1.5 – 3.5 hrs: remove the hub nut and lower joint, swap the axle, replace the seal, check and top up fluid	\$120	\$189	\$317
Shop fees, supplies & tax The remainder of a typical invoice after parts and labor; varies by state and shop	—	~\$117	—
Total — what owners paid	\$265	\$465	\$794

Low / typical / high are computed per line, so they don't add up exactly to the totals — the total row is the real distribution of complete invoices.

IS YOUR QUOTE FAIR?

A quote between **\$265 and \$794** is inside the band where half of all Jeep Grand Cherokee CV axle replacements landed. Below it is not automatically a bargain (remanufactured axle on a front-wheel-drive car); above it is not automatically gouging (OEM axle, four-wheel-drive front axle with hub work, both sides done) — but both ends deserve a question.

WHAT MOVES THE PRICE

- **New vs. remanufactured** — reman axles are common and much cheaper; quality varies.
- **Layout** — 4WD trucks and AWD cars take longer than a simple front-drive axle.
- **Seal and fluid** — a torn boot that ran dry often means a new seal and fresh gear oil too.

ABOUT THIS DATA · HOW TO USE THIS REPORT

Vehicle **Jeep Grand Cherokee, model years 1993–2023**
Data confidence **High** — *large sample, stable ranges*
Records through **July 2026**, refreshed continuously
Source **paid invoices from independent US repair shops**

Bring it to the shop. Ask for the written estimate split into parts, labor hours and rate, and fees — then compare each line. A shop that explains a number above the range is doing its job; one that won't is telling you something too.

NOT A QUOTE This report describes what other owners paid for the same repair. Your year, engine, region and the parts chosen shift the number. FixDozer does not perform repairs and receives nothing from shops.
